MACI MEMBERSHIP INFORMATION

The **Medford Arts Center, Incorporated** is a non-profit arts and artists' organization. MACI supports the visual, performance, and written arts, and welcomes exhibiting artists, writers, and those with an interest in supporting the arts to become MACI members. Our group is an outgrowth of Medford Arts & Artists.

MACI's ultimate goal is to establish a permanent home for art exhibits, studios, classes, and other activities, to support the continued development of the arts community in Medford.

Benefits of membership in MACI include participation in MACI exhibits and events, as well as discounts on MACI classes and workshops. More importantly, you align yourself with the existing and future arts community of Medford, make friends, and have fun!

The membership categories are:

- **Artist Membership** - all of the above benefits, plus a link to your own website from the MACI website.
- **Youth Artist Membership** (18 years and under) offers the above benefits at a discounted price.
- **Friend Membership** (Individual or Family) gives you free admission to various events. You also receive the members' discounts on classes and workshops.
- **Supporting Membership** benefits include your name or your group's name listed on thank-you banners that will be prominently displayed at official MACI events, as well as recognition of benefactors on the MACI web site and other publications.
